

## Overview

There's no better place to discover the great outdoors than Nepal. Active tours allow you to choose your level of activity, from cultural city tour around ancient city to more adventurous pursuits. Our exciting range of multi activity holidays Tour is designed to show off the highlights of the regions they visit, whilst also including a variety of activities. This 8 days tour starts from Kathmandu city to wildlife safari at chitwan National Park, Rafting at Trisuli River, Pokhara city tour, and Paragliding from Sarangkot to sunrise views of Nagarkot. You will experience the White water Rafting at Famous River- TRISULI for about 2-3 Hours on the Way to Chitwan. Multi activity holidays are as much about exhilarating experiences as they are about the landscapes and culture of Nepal Himalayas.

We also discovery tandem flight From Sarangkot (1500m) to Pokhara (800m), a first flight experience. Feel the sensation of flying in thermal conditions, (rising more than 500 m from the take-off point), from there we fly cross-country with the birds, over the local countryside you will see the rice fields, traditional villages and the people working in the fields, before we fly over the lake, offering the chance to do a little acrobatic flying (if you want to!), before landing beside the lakesid.

First time? No worries, experience is not required! Tandem flying is when a certified pilot flies with a passenger. Both pilot and passenger sit in harnesses that are attached to each other and the wing. A paragliding harness is designed for safety and comfort, and is like sitting in a comfy chair. After an easy take-off, the passenger sits back and relaxes...enjoying the epic scenery and breathing the mountain air.

Bring with you strong shoes, and a windproof jacket. A calm scenic float, or an acrobatic tumbling routine, your choice...just tell the pilot your preference. Flights last from 30 minutes to 45 minutes, depending on weather conditions, and you!The activities included are aimed to suit everyone from action heroes to complete novices. A 'go-for-it' attitude and a reasonable level of fitness are however needed.If you are looking for a holiday with a difference and want a new challenge each day, our multi-activity holidays might just be the adventure for you. You may even discover talents that you never knew existed!
